

Technical drawing of a mechanical part with dimensions and a red dot. The drawing shows a cross-section of a part with a hatched base. Dimensions are given in millimeters (mm). The overall width is 28 mm. The base has a width of 15 mm and a height of 10 mm. The top surface has a width of 22 mm and a height of 2 mm. The side surface has a width of 19 mm and a height of 3 mm. The bottom surface has a width of 30 mm and a height of 7 mm. A red dot is located on the top surface, 10 mm from the left edge and 5 mm from the bottom edge.

- ## SZCZEGÓŁ "C"

-
- Technical drawing of a mechanical part. The part consists of a rectangular block with a square base. The base has a side length of 15. The block has a total height of 30. A vertical slot is cut into the block, with a width of 8. The slot is 1 unit deep from the top surface. The drawing shows the front view of the part, with the slot on the right side. The dimensions are indicated by dimension lines and arrows.
